

Phase-out rules : LCD products for Industry and Monitor “A”

1. Time schedule for Phase-out/Discontinuation

2. Advanced Phase-out Notification

- NEC LCD Technologies issues an “Advanced Phase-out Notification” for Phase-out Product to our customers at least 6 months prior to the “Phase-out Notification”. These products should not be newly designed in.

3. Phase-out Notification

- NEC LCD Technologies issues a “Phase-out Notification” for the products which have been informed by “Advanced Phase-out Notification”

4. Last Time Buy Order

- Customers are kindly requested to place a “Last Time Buy Order” within 1 year after Phase-out Notification.

5. Repair

1) “Repair at NEC LCD Technologies’ Expense Period”: NEC LCD Technologies repairs products at NEC LCD Technologies’ expense within 1 year after shipment, if it is NEC LCD Technologies’ responsibility. But, a product will be repaired at a Customer’s expense, even within “Repair at NEC LCD Technologies’ Expense Period”, if it is due to life end for Cold Cathode Fluorescence Lamp and its exchange is necessary.

2) “Repair at Customer’s Expense Period”: NEC LCD Technologies repairs products at Customer’s expense within 2 years after the “Repair at NEC LCD Technologies’ Expense Period”. But, customers are kindly requested to understand that it could be unable to repair a product in case glass panel failure.

3) “Support for Repair Parts”: NEC LCD Technologies will provide repair parts of the products for 3 years after last shipment of the products. Repair Parts shipment takes more than 2 months after purchase order. Customers are requested to place a “Last Time buy Order” for repair parts 6 months before “Phase-out”.
