

# PT 5664

## Digital & Analog Component/ Composite WFM

### Service Manual – section 2:

### Diagrams and component placements

### Diagrams and component placement.

*Note: Diagrams are assembled in a sequence as below:*

Block diagram .....	13-2
Wiring diagram.....	13-3
Unit 1 - Power Supply	
Component Location.....	13-4
Diagrams .....	13-5
Unit 1a - CRT Board and Illumination Panel	
Component Location & Diagram .....	13-7
Unit 2 - CRT Control	
Component Location & Diagram .....	13-8
Unit 3 - Deflection Amplifier	
Component Location.....	13-9
Diagrams .....	13-10
Unit 4 - Signal Processor	
Component Location.....	13-12
Diagrams .....	13-13
Sub-unit: Sync Separator .....	13-19
Unit 5 - Potentiometer Board	
Component Location & Diagram .....	13-21
Unit 6 - Keyboard	
Component Location & Diagram .....	13-22
Unit 7 - Control & SDI Board	
Component Location.....	13-23
Diagram.....	13-24
Unit 8 - RGB Monitor	
Component Location.....	13-29
Diagram.....	13-30
